Meeting point:

Charlbury Community Centre
Spendlove Centre
Enstone Rd
Charlbury
OX7 3PQ

Departure time: 10:00. Note: Community café opens from 9:00

Car parking

There is limited public parking available near the community centre most of which is short-term paid parking and/or for community centre users.

Options:

- Staying locally – ride in to the meet point if possible
- Spendlove Centre “lower” car park (near Community Centre). We have negotiated use of the “lower” car park at the Spendlove centre. These are the spaces down the ramp outside Charlbury Vets. See attached plan. Please ensure that you leave 5 spaces (marked red) for use by the dental surgery. Approx 20 spaces
- Railway station – there is additional long-stay (paid) parking at the railway station if the Spendlove Centre “lower” car park is full. Note – the Station car park is passed as we return to Charlbury at the end of the ride.

Route:

- Route sheet attached
- GPX file - TC website or available to download from RideWithGPS : TC50 – Charlbury

Ride logistics:

We have around 40+ tandem teams confirmed for the event which is absolutely fantastic. Due to the numbers we will split into smaller groups and leave in a staggered start from 10:00.

There are no pre-planned stops or re-grouping points so it will be up to individuals / smaller groups to decide where and when to stop. There are 2 possible café stops in Eynsham and lots of options in Witney. (see list below)

Photos and stories from the day:

Please take lots of photos and share them on social media. I will be writing an article for the TC Journal so will be looking for a few photos and stories to give a flavour of the day.
